Lecture On India Planned

Photographer-lecturer Fran William Hall will present his color motion picture on "India" in the El Camino College Campus Theater tomorrow.

The second in a four-part series entitled "The World Around Us," the program begins at 8 p.m. Admission is \$1. Students with activity books will be admitted free.

Nationally known through his color films and lectures, Hall has lived and traveled in 48 countries. His speaking engagements have taken him to most of Canada and to every state in the Union except Alaska.

A former electronic engineer for the Air Force, Hall also served as a Walt Disney photographer, working on the film, "Secrets of Life."

In the film, "India," Hall takes his audience to a country that is less than half as large as the United States, yet holds within her borders nearly three times as many people.

The film includes sequences of colorful processions, elephant rides, rope-making, bullocks on rice paddies, exotic dances, the Taj Mahal, a camel caravan, a snake charmer, and many other scenes of the restless and extremely religious country known as "Mother India."

Burglary Charges Jail Two

Two men were arrested on suspicion of burglary early Wednesday by Torrance police investigating a report of prowlers in a dental office.

Anthony Joseph Giglio, 36, of 2905 W. 229th St., and Charles Glenn Jones, an unemployed musician from San Francisco, were booked at the Torrance City Jail about 12:30 a.m.

Officers were called to a dental office at 2375 Torrance Boulevard about 10:20 p.m. Tuesday to investigate a report of prowlers. Giglio was found in his car near the building and Jones was found inside the building, police said.

Police said a window in the building had been smashed.

At Convention

Dr. Bernard Robinson of Gardena and Torrance, attended the 68th annual congress of the California Optometric Association in San Francisco last week. The congress ended yesterday.
